## An Atheist's/ Christian's View On Life

Recently I read this interesting way of contrasting an atheist's point of view on life with that of a Christian.

First, read the Atheist's View on Life all the way down as you normally would. Then, read the Christian's View On Life from the last line to the top. You may need to read more than one line together, but I think you will not have a problem deciding where the punctuation goes, etc.

### An Atheist's View on Life

I will live my life according to these beliefs  
God does not exist  
It is just foolish to think  
That there is a God with a cosmic plan  
That an all-powerful God brings purpose to the pain  
and suffering in the world  
Is a comforting thought...however  
Is only wishful thinking  
People can do as they please without eternal consequences  
The idea that  
I am deserving of Hell  
Because of sin  
Is a lie meant to make me a slave to those in power  
"The more you have, the happier you will be";  
Our existence has no grand meaning or purpose  
In a world with no God  
There is freedom to be who I want to be  
But with God  
Everything is fine  
It is ridiculous to think  
I am lost and in need of saving.

### A Christian's View on Life

(Now...read from bottom to top, starting with the line, I am lost... to see a different view.)
