May 2019

Dear Friends in Christ:

As faithful disciples of Christ and as a Church in action, we work together to respond to those in need and offer guidance through quality services designed to respect the dignity of each person. Catholic Charities, as an agency, strives each day to address the many needs of the poor and marginalized of our North Country.

Inspired by the Gospel, the many programs and services that are offered by Catholic Charities throughout our diocese, focus on building a just and compassionate society that embraces the gifts given to us by Christ. Through *providing* help...we *create* hope.

Together, we bring *hope* to the families who are struggling to put food on the table, *hope* to the migrants seeking a safer environment to call home, *hope* to the addicts fighting to stay sober, *hope* to the disabled who have become so isolated and hope to so many families struggling in crisis.

Catholic Charities depends on your financial support to continue reaching out to those who need us. Our programs and services express our Catholic Christian priorities. As your Bishop and chairperson of the Board of Trustees of Catholic Charities, I am graciously asking you to consider making a generous gift to this wonderful organization.

The *Mother's Day Annual Appeal* for Catholic Charities will take place in all our parishes on the weekend of May 12, 2019. Let us continue to **Give Help** and **Create Hope** for the many families of the North Country that we serve as we continue the work of Christ on earth.

Gratefully yours in Christ,
